CURANDERISMO

## CEC Ethnic Studies and UNM Chicana Studies SPRING 2022 COURSE OFFERING

### CCST 2996: Curanderismo: Traditional Mexican Medicine

1.00 high school elective credit/3.00 dual credit hours

**Mon and Wed from 12:30-1:50 (Session 2)**

This course will provide information on the history, traditions, rituals, herbs, and remedies of Curanderismo, a folk healing tradition of the Southwestern United States, Latin America, and Mexico, amongst other countries. The course explores how our ancestors used traditional methods for healing, how they've shaped our cultural diversity of the past and today, the upkeep and collection of medicinal plants, and what the future might look like. The course features teachings from various aspects such as: intestinal blockage (*empacho*), spiritual cleansings (*limpias*), shawl alignments (*manteadas*) and preparation of medicinal teas (*tes medicinales*).

## **CEC/CCS SPRING 2022 COURSE OFFERINGS**

**CCS 110: Introduction to Comparative Global and Ethnic Societies**

1.00 high school elective credit/3.00 dual credit hours

**Tues and Thurs from 12:30-1:50pm (CEC Session 2)**

This course explores historical and contemporary social forces that impact diverse ethnic communities across the Americas. Throughout the course, students examine economic and sociocultural dynamics of Indigenous, Latinx, Asian-Pacific, Africana, and LGBTQ communities as well as women's lived experiences within and across these communities, particularly as these experiences intersect within the United States.

*\*This course meets the UNM Area 4 Social Science Core requirement*
